Five Standards for Effective Pedagogy CD-ROM Series

Preservice and inservice professional development for K-12 Bilingual/ESL teachers. Based on best practices of master teachers, these CD-ROMs present a research-based pedagogy that enables all students to succeed. Developed by the national Center for Research on Education, Diversity & Excellence (CREDE) in partnership with Brigham Young University’s Center for the Improvement of Teacher Education and Schooling. Engaging, interactive, and easy-to-navigate format. Users work at their own pace, can customize the lessons, and hear first-hand from a range of expert voices – teacher educators, content-area specialists, national and international researchers, teachers, and the students themselves.
